RE: Site Inspection, Barrett Mines Inc., Beaver Dam Wash Mine, S/053/010, Washington County, Utah

Date of Inspection: April 15, 1999
Time of Inspection: 1400
Conditions: Warm and Windy
Participants: Doug Jensen and Lynn Kunzler, DOGM

Purpose of Inspection: No fees paid this year

The site remains as it was on the UDOGM inspection trip of September 15, 1995. No attempt has been made to recontour or reseed these areas. A road built illegally through state lands remains with no changes. The lower portion of this road, which was on BLM ground, was reclaimed to BLM's satisfaction but has since been opened up again to access the stream in Beaver Dam Wash. BLM has no issues with this permit. Photos were taken of the site. We recommend closing this file. GPS was used to establish UTM coordinates.
